NORWAY AND VICINITY

Beatrice Stone has returned from St. Barnabas Hospital in Portland, where she has been for the removal of tonsils.

Mme. Suzzette, the famous piano accordian artist, playing Keith's Eastern Circuit, entertained at Rex Theatre one evening recently. While playing an engagement at Music Hall, Lewiston, she came up to see her friend, Mrs. William E. DeCroteau, who has been critically ill. Mme. Suzzette was for six years an artist with the Peerless Trio of which Mr. DeCroteau's sister, Mrs. Thomas Savage and her husband are members. Her work at Rex was greeted with enthusiasm and she kindly responded to several encores.

Linwood Flint, the Waterford Porcupine king, recently shipped a quantity of the "quilled pigs" from this station. Business is picking up and the curious animals are once more an attraction for window displays and pet shows.

Mr. and Mrs. Edwin S. Cummings entertained the Wild Cats at their home on Highland Ave., Saturday evening. A fine chicken pie supper was served by Mrs. Cummings assisted by Mrs. Maude DeCoster. There were 18 club members and two guests, Mr. and Mrs. Charles Bartlett. In the evening, cards, billiards and sociability were enjoyed. During the winter the club has been meeting once in two weeks.

Mrs. Albert L. Clark and Mrs. W. E. Stuart entertained Friday evening at the home of Mrs. Clark. There were four tables at auction. Refreshments were served. Those in the party were Mrs. Edward Downing, Mrs. Lawrence M. Carrol, Mrs. Edith E. Bartlett, Mrs. Helen Bickford, Mrs. Grace Cushman, Mrs. Florence Bradbury, Mrs. Marion Jellerson, Mrs. Alice Stearns, Mrs. June Hutchins, Mrs. Margaret Goodwin, Mrs. Etta Maxim, Mrs. Blanch Smith, Mrs. Clara Luck, Mrs. Bessie Hill, Mrs. Stuart and Mrs. Clark.

Donald F. McGrew is the manager and editor of the Aroostook Daily News, a new Maine daily at Houlton. Mr. McGrew will be remembered as a Norway resident "Before the war." Another former Norway man, Hon. Charles P. Barnes, is interested in the paper we understand. The paper is just now reducing the freight rates of the Bangor and Aroostook and the Maine Central railroads. It costs the protestants apparently from 5 to 25 cents to sign the protest against the rioads and besides the good of the cause they get their names in the Aroostook Daily News with the amount contributed. The matter may be taken up with the Interstate Commerce Commision at Washington D. C. that sits as a court. If the Commission decides that the rates may be reduced the railroads must make the reduction.

After an absence of many years H. H. Burnham of Fryeburg called on friends in Stow last Tuesday. He is in the jewelry business in Fryeburg and was called here to attend court now in session. Many years ago he worked for V. W. Hills and later went into business for himself.

A new Reo bus has been put on between Norway ad South Paris to help during rush hours.

Mrs. Albert J. Stearns entertained at her home, Thursday evening, a whist party of the wives of the Board of Trade members who were attending that meeting at the Beals House. Those in present were Mrs. Dora Brett, Mrs. Bessie Hutchins, Mrs. Llewellyn H. Cushman, Mrs. F. H. Farington, Mrs. Olive Hutchins, Mrs. Herman L. Bartlett, Mrs. G. Curtis, Mrs. Henry B. Foster, Mrs. James N. Favor, Mrs. Florence Bradbury, Mrs. William C. Leavitt, Mrs. Eugene F. Smith, Mrs. Bessie Hill and Miss Verrill.

B. G. McIntire was in Portland Friday and Saturday. Mr. McIntire is one of the directors on the construction of the State Pier which is to be completed by April 1st.

Thirty-four members of the Freshman Class of the Norway High School enjoyed their first class party on Friday evening at the Norway Lake Mother's Club hall. A fine oyster supper was served and a general good time enjoyed.

Elizabeth Crockett Blake Tent, Daughters of Veterans, held regular meeting Friday evening with good attendance. Nina Butters was reported having been taken to the C. M. G. Hospital, Lewiston, and later reports are most favorable and she is gaining. An interesting program in commemoration of Lincoln's birthday was given. Several cards received from Mrs. Bertha Sturtevant Noyes were read, making an interesting feature. A box received from Florence Marston, who is in Maplewood, N. J., this winter, was opened according to instructions. This was sent for the penny lunch and was filled with various articles all for a penny, and forty-four cents was realized. This made a lot of fun as the members drew their prize. Hot buttered popcorn and candy were served after the meeting. At the next meeting Washington's birthday will be observed and each member is asked to have a quotation or some incident relative to "The Father of his Country." Mrs. Eunice Marston, Mrs. Laura Thurston and Mrs. Maggie Libby were appointed the committee.

Clerks' Ball

The 28th annual ball given by the Norway clerks at Norway Opera House, Tuesday evening was a brillant party, with one hundred and twelve couples on the floor and a balcony crowded with spectators.

Sapphire blue and gold made a pleasing color scheme in the profuse decorations, streamers were suspended from the center chandelier to the balcony rods. The two colors were festooned around the balcony front with golden rings enclosing a blue heart for each loop. On the stage a solid blue background was given a checkered effect with golden bars and the same idea was suggested around the arch. Gold rings before the footlights surrounded a blue heart, each carried a letter spelling "Clerks' Ball 1922." Chester P. Gates chairman of the decorating committee, was assisted by Leon A. Emery, Oliver J. Foss, Ralph C. Andrews, Percy Y. Fogg, Eugene A. Descoteau, Edward A. Luck, Douglass Farrar, Ashley Edwards, Herman Lewis, Clifford H. Davis, Richard Robe, Alton Bradford and several young lady clerks.

The harmonic "Six Links" Orchestra of Portland gave a fine opening program and played for the order of sixteen dances. Sixty couples formed on the grand march led by floor manager, Eugene A. Descoteau and Mrs. Descoteau and followed by his aids. "Uncle" John Haselton of Westbrook, the veteran dancing master and prompter, was at his accustomed place during the contras and he searched out old friends and acquaintances while the modern steps were in progress. The aids were busy contingent and the large number who attended from surrounding towns were given every attention. The hustlers were Evander B. Whitman, Edward S. McCormack, Douglass Farrar, Philip W. Bradeen, Ralph C. Andrews, Clifford H. Davis, Edward A. Luck and Paul F. Hosmer.

Isaac J. Monk

Isaac J. Monk, aged 83 years, passed away at his home, lower Main street, Saturday evening, Feb. 11, after a brief illness of pneumonia. Monk was born in Buckfield, Sept. 14, 1838, the son of Alfred and Relief Irish Monk, the youngest of a family of fifteen children and the last of the family. His grandfather, Elias Monk, was a Revolutionary soldier, and one of Washington's life guards. His father came to Buckfield from Bridgewater, Mass., where he was born and cleared and cultivated a large farm where he spent his days, passing away at the age of 90 years. His mother was from one of the old families of the town. She lived to be 90 years of age.

Before the railroads penetrated this section, Mr. Monk as a lad teamed between his native town and Portland and was well known along the route.

On August 14, 1862, he enlisted in the Civil War in Company E, 16th Maine Infantry. At Gettysburg, Mr. Monk was taken prisoner. Out of 1040 men who entered battle, there were but four officers and 38 men left the following day. On being taken prisoners, they tore their beautiful silk flags into pieces and divided them, cherished mementoes. Mr. Monk carried his sewed into the lining of his vest and after his discharge he had it framed. After four and a half months in Libby Prison and Belle Island he was removed to the Naval hospital at Annapolis. After several months, he was allowed a furlough and taken to the hospital at Augusta. For two years he was on crutches, suffering with rheumatism, contracted while in prison.

In 1867 he went to Wayne to work for a photographer and a short time after moved to Paris and for over thirty years worked at the Paris Manufacturing plant. A year and a half ago he retired from active labor and the family came to Norway to live, purchasing the Sanborn stand at the Falls.

Mr. Monk was a member of William K. Kimball Post, G. A. R., South Paris, and had been one of the color bearers for 25 years. He was a member of Deering Memorial Church at South Paris. Mr. Monk was twice married. Four children were born to the first union, all of whom survive, and 38 years ago he married Rossie Wing of Wayne who survives. To them were born two children, who reside in Norway, Alfred G. Monk, a clerk at L. J. Brooks' grocery store and Mrs. Merle Brown. He leaves thirteen grandchildren and fourteen great grandchildren.

The funeral was held at Deering Memorial Church Tuesday afternoon at 1 o'clock, Rev. H. G. McGlauflin officiated. Burial at Norway Pine Grove Cemetery.

Arthur C. Bradeen

Arthur C. Bradeen passed away suddenly Thursday morning, after two years and more of failing health. His age was 61 years, 2 months.

Mr. Bradeen was born on Dec. 16, 1860 the son of Elisha A. and Priscilla Lane Bradeen. He travelled extensively as salesman during his early life and acquired a broad education. Moving his family here from Lewiston about twelve years ago, he continued his business for a time and failing health caused him to give up the long trips for agricultural pursuits. He farmed extensively on a tract some miles from town and also cut considerable wood and timber until failing strength compelled him to give up all active employment. He leaves beside his wife two sons, Philip and Stephen, both of this town.

Funeral will be held at the home, Saturday at 2 p. m., attended by Rev. O. E. Barnard of the Congregational Church. The body will rest in the tomb at Norway Pine Grove Cemetery and buried later at Waterboro.

John Howe

After a period of failing illness, John Howe passed away suddenly Monday at his home in the Yagger Neighborhood, Norway. Heart trouble is given as the cause. His age was 54 years, 11 months and 12 days.

Mr. Howe was born in Sumner, Feb. 22, 1854, the son of Clinton and Eliza Heald Howe. He married Lizzie Ryerson of Norway and they settled on the Marston farm where the family have since resided. Mr. Howe was a member of Norway Grange and seldom left the home place except to attend these meetings.

Besides his widow he leaves one son, Charles Howe of Norway and a daughter Ora Howe, teacher at Yarmouthville. Helen, wife of Arthur Buswell, passed away some three years ago. A little grandadughter Ruth Buswell, who has lived with the Howes also survives.

Old Gentlemen's Night

Pennesseewassee Lodge No. 18, K. of P. observed "Old Gentlemen's Night" Thursday evening, Feb 9th in honor of their older members birthdays. From now on this is to be an annual affair as it was thought best to celebrate all their birthdays in one instead of seperately as has been the custom. The guests of honor were Orrington M. Cummings, T. Putman Richardson, Dr. F. E. Drake, Frank Faunce, Dr. Bial F. Bradbury, John T. Robinson, John Hayden, Stephen Kimball and Thomas Thibodeau. Frank Faunce has been a Knight the longest, becoming a member in 1870.

Nearly 100 partook of the bountiful supper which was served at 6:45 o'clock. Rev O. E. Barnard, pastor of the Congregational church offered prayer. The tables were arranged in the form of a cross. The waitresses were dressed all in white and wore white caps.

The hall was prettily decorated with red, blue, yellow and white crepe paper, the colors being emblematic of both orders. While seated at the tables Orrington Cummings, being the oldest member, was presented with a beautiful bouquet of pink carnations with green spray by Mary Kimball in behalf of the Pythian Sisters, he was also given a post card shower by the Sisters, which he found in his plate at the table. Elon Brown in behalf of the Knights presented him with an immence birthday cake, beautifully decorated with his name and the years, 1839-1922 also K. of P.

Mr. Cummings' response as usual caused a great deal of laughter when he included "Shorty" Cook among the noted ones to be born in February. Wishing every one to share his cake with him, he had it cut and Tessa Thibodeau and Pearl Cook passed it around. Those that were sick or unable to be present he also remembered by having a piece put in each box that was sent out.

After the tables were cleared away Chancellor Commander Albert Snow rapped to order and called on several for remarks. Those to respond were John J. Everett, Frank T. Barrows and Edward Anderson of Hamlin Lodge, South Paris, W. T. Smith of St. Elmo, Mechanic Falls, Frank W. Faunce, Jesse P. Edwards, A. L. Cook, O. M. Cummings and Elon Brown. Those of the Pythian Sisters to respond were Miss Clara Schneur and Mary Kmball. The remarks were much enjoyed and they sjoke of Mr. Cummings' ever willingness to help, his great generosity, his faithful friendship and loyalty to the Order. This was followed by an entertainment first on the program was "My Old Kentucky Home" sung by request by Mrs. Carolyn Smith and Elon Brown for Mr. Cummings' benefit. Next was a vocal duet by Mrs. Gladys Russell and Elon Brown "Lest We Forget." Harold Moore also gave a pleasing solo, accompanied by Howard Shaw with saxaphone and Bessie Klain at the piano. The remainder of the evening was spent in dancing and a general good time. Music was furnished by Howard Shaw, Harold Moore and Elizabeth Klain.

Those in charge of the supper were Alogia Witham, Edith Edwards, Mary Lewis, Ida Hall, Eva Anderson, William Smith, Frank Witham and Jesse Edwards. Those to wait on tables were Nellie Goodwin, Avis Huff, Harriett Brown, Alta Hall, Gertrude Mattor and Elon Brown. The hall was decorated by Mr. and Mrs. Elon Brown. All worked hard to make this one grand good time which in every way it proved to be and one that will long be remembered.

Mrs. Frances L. Armstrong

Following an illness of one week, Mrs. Francis L. Armstrong passed away suddenly Wednesday afternoon at 3:45 o'clock at the home of her daughter, Mrs. George Watters, where she had made her home the past two years. Her age was 65 years, 4 months, 8 days.

Mrs. Armstrong was the daughter of Eben N. and Sarah H. Stover, was born in Ellsworth, Oct. 7 1,856 and had lived there continuously until two years ago. She attended the public schools at Ellsworth and on Mar 31, 1875 married Elias B. Armstrong at Ellsworth. They settled in that town and raised a family of six children, five of whom survive.

Her husband passed away two years ago after nine years of complete helplessness, during which time she administered to his wants without complaint, making his last years comfortable as possible. Her home has been in Norway since his death. She was a Congregationlist but poor health detained her from the Sunday services the past few years.

The deceased leaves three daughter, Estella, wife of Edward E. Carroll, Norway; Sarah, wife of George Watters, Norway and Frances, wife of Walter Hochfield, Cleveland, Ohio. There are two sons, William Amrstrong, Rochester, N. H., and Newell Armstrong of Ellsworth Falls. Three grandchildren survive, Mrs. Burton Shaw of Norway, Walter Armstrong of Fiskdale, Mass. Berle Armstrong of Ellsworth, and one grandson. A brother Charles E. Stover resides at Jonesboro and a sister, Mrs. John Harrington lives at Virginia City, Nevada.

A brief service was held Thursday at 3:30 p. m. at Spiller's funeral parlors, Rev. C. G. Miller attending. The remains were taken to Ellsworth Falls for the funeral at her late home, Friday. Burial will be in Ellsworth.

Mrs. Armstrong was wholly devoted to her family and unselfish in every particular. Always cheerful, she labored for others unmindful of herself and won the respect of all who had the good fortune to make her acquaintance.

Bridgton Academy basket ball quintet will appear here Friday evening, against Norway High School. This promises to be a real one as the teams are about evenly matched in every department. Norway lost to the outfit at the Academy by a small margin and will endeavor to make a go of it this time. A girls game will start for a preliminary at 8 o'clock. Dancing at close of big game music by Anderson's orchestra.

A small surface and extra strong guards at Mexico Friday evening was the combination which defeated Norway at that place and kept the heavy basket makers in the back ground. The game was clean cut and fast. Every Norway player contributed at least one basket from the floor while the home team centralized their points on three of the five gamesters in the line up.

The February term of the Supreme Judicial Court opened at South Paris Tuesday morning at 10 o'clock with Justice Luere B. Deasy presiding.

Members of the Oxford County bar attended in force and a fair number of spectators were present when Crier Harry O. Stimson officially opened the session with customary proclamations.

After the opening prayer by Rev. Edward A. Morris, pastor of the South Paris Congregational Church, Clerk Donald B. Partridge checked the names of the grand jurors. A short recess was ordered while waiting for the delayed train from the west and on its arrival the grand jury assembled as follows:

H. I. Abbott, Upton, Foreman.

The work of impaneling the traverse jury was quickly accomplished with only Richard B. Palmer of Sumner seeking to be excused:

The jurors were excused for the rest of the forenoon, and on their assembling after dinner were once more excused until Wednesday morning. Calling the docket and assigning cases occupied the time until the noon recess. General sickness over the county was evident by the large number of cases continued for inability to procure witnesses and principals. Cases marked for trial had a tendency to lag well into the term for various reasons, which brought numerous pungent comments from Justice Deasy. He emphasized the large expense to the county while holding jurors, and made the fact plain many cases should be ready for trial on the second day of Court.

Tuesday afternoon was devoted to divorce hearings and general consultations among lawyers and their clients, and the presiding justice.

The following attorneys were among the number present at the opening formalities:

County Attorney Harry M. Shaw, South Paris.
Walter L. Gray, South Paris.

The first cases for jury trial were presented Wednesday afternoon. The first was an action by Alice Pledge Miles of Springvale to recover articles of furniture from her foster father James Pledge of Norway. Said property was claimed by the plaintiff on the grounds of early possession and verbal title from Mrs. Pledge before her death. After a consultation between the counsel and judge the action was taken from court.

A second action brought jointedly by Alice Pledge Miles and her husband, Lombard L. Miles against James Pledge to recover $190.00 for services, traveling expenses and incidentals incurred after the death of Mrs. Pledge. The plaintiff's alleged an oral agreement from the defendant to make it right if they would stay and keep his home open, was broken. In leaving their work for the Mayflower Shoe Co. at Lewiston and later finding employment in the Sears-Roebuck factory at Springvale caused financial loss, plus wages for seven weeks not received at Mr. Pledge's. SOUTH PARIS

Sheriff Cole Acquitted

Charges of unfaithfulness and inefficiency in enforcing the laws, brought against Sheriff Harry D. Cole, were not sustained at the hearing in Augusta, Friday, before the Governor and the executive council. The hearing lasted several hours, both sides being represented by a strong array of legal talent. Sheriff Cole was the only witness on the defense and he frankly discussed the facts leading to the removal of Deputy Sheriff Weeks and subsequent events. His attorneys were Alton C. Wheeler, South Paris; Frederick R. Dyer, Buckfield, and Albert Beliveau, Rumford. A verdict of "not guilty" was brought on each charge.

Governor says: "The evidence presented by the witnesses or complainants, showed there was no collusion on the part of the Sheriff with the parties who operated so-called games. These witnesses denied ever having made, and do not now make, any charge of corruption on the part of the sheriff and they without exception testified as to the good standing of the Sheriff and as to his faithfulness and efficiency as a public official."

"It appeared to the Governor and council that the complainants themselves did not consider the alleged offense of Sheriff Cole as serious.

"The dismissal of Deputy Weeks was the result of a heated argument indulged in by both the Sheriff and his deputy and the feelings of both parties were evidently considerably aroused at the time. Both officers are held in high esteem by the citizens of their county who testified at the hearing, and it appears that Sheriff Cole was anxious to protect the financial standing and good name of the local fairs, and no evidence was introduced that he sought to protect the alleged gamblers.

"All the witnesses from Oxford County including the Sheriff and his former deputy are men of high character and their evidence was clear and straightforward. Personalities were not indulged in and the Governor and council desire to express their satisfaction at the fairness and frankness of the witnesses as well as the counsel on both sides.

DIZZINESS IS ANNOYING

As Many Norway People Know Too Well

When the kidneys are weak or disordering, they fall behind in filtering the blood of poisons. As these poisons attack the nerves, the result is felt in spells of vertigo, just as drunkenness will make a man dizzy from the poisoning of alcohol. Dizziness, headache, backache and irregularity of the kidney secretions are all signs of weak or disordered kidneys and should not be neglected. Use Doan's Kidney Pills, the home-endorsed kidney remedy. Read this Norway resident's statement:

Mrs. Orville Palmer, Lower Main St., says: "Just recently I was suffering from disordered kidneys. My back was very painful and it made me restless at night. I was also dizzy. Everything seemed to turn around in the room. My kidneys didn't act regularly. My mother had used Doan's Kidney Pills with benefit, so I decided to go to Clark's Drug Store and get a supply. After using two boxes I was all right. I gladly recommend Doan's Kidney Pills, knowing them to be a good reliable kidney and backache remedy."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Palmer had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. 2-3

WAS A BLESSING SHE CAN'T FORGET

That's What This Manchester Woman Says of the Results She Got From Taking Tanlac

"Tanlac has been a blessing to me that I can never forget," said Mrs. Clodie Francouer, 752 Silver St., Manchester, N. H.

"For a long time I suffered from indigestion and had such a poor appetite I hardly ate anything. Food was nauseating to me instead of inviting, and if I did force down a little something I just suffered agony from pains and a bloated feeling that affected my heart, causing severe pains through my chest and palpitation which made me so short of breath I would just have to go to a window to get air. I had headaches that just put me down sick in bed, and was so nervous and restless at night I always felt tired in the morning.

"After suffering as long as I did and getting in such an awful condition, it certainly is something to be thankful for to get one's health back. Well, Tanlac has relieved my troubles and made me feel just as well as ever, and I just can't tell how grateful I am to this grand medicine."

Tanlac is sold by A. L. Clark Drug Co., Norway; Stowell Bros., Locke's Mills; R. E. Pinkham, East Waterford; W. H. Brown, East Stoneham; Heald, Stearns & Kimball, Lovell, H. L. Hutchins Co., North Fryeburg; L. R. Rounds & Co., Waterford, and P. G. Barrett, Welchville, Me.

Old Bills From Family Bible

H. H. French lives in Albany and is a reader of the Norway Advertiser. On a recent call to pay for his paper he showed a pocket full of money.

A three dollar bill on the Farmer's Exchange Bank of Rhode Island, issued back in the twenties; $3.00 on the Chicopee State Bank of Massachusetts of 1862; $10.00 on the Bay State Bank of Lawrence, Mass on Nov. 1, 1864; Bank of North Amercia, Philadelphia, $10.00 dated July 27, 1831; $5.00 on the Bank of Cumberland of Sept. 1, 1837; a 20 dollar confederate bill issued in Richmond, Va. 1862 and a one dollar bill of the Republic of Texas issued July 1841.

With all this array of paper money he ought to be able to buy a copy of this paper for a year at least. These old bills were found in the family bible of Rebecca Parker of West Stewartstown, N. H. some years ago and were collected by Isiah Pickard in his life time.

Mr. French also presented us with a package of his "No Tarnish Universal Polish" which makes things shine and look bright. He can ship it in car load lots from his Tripolite Deposit in Albany.

In the Sunshine City of Florida

Frank H. Noyes and wife are in Florida. We know this because he has written us to that effect.

He and Sol Jackson went out 25 miles to sea and caught fish, one weighed 23 pounds, another 24 pounds and a lot of 'em from 2 to 8 pounds. Frank don't care much for salt water fishing. He says so. Probably the big ground swell made him sick and if so, who can blame him?

He attended "a time" in the Chamber of Commerce where the Maine Fugitives met to compare notes and talk of the wonderful climate they were enjoying and their escape from snow and zero weather up North. One hundred or so were there.

There is little or no building in St. Petersburg this winter. They have plenty of room for all. Last year the city was overcrowded and many buildings were erected. They can easily accommodate sixty thousand tourists and there is less than fifty thousand there, so rents are plenty and lower in price than a year ago.

Frank and Charles Blake and their wives arrived in St. Petersburg on the same train and were met at the depot by the Clarks and Jacksons who immediately located them in good quarters.

All are well and are waiting for warm weather when they will return home.

The Norway Board of Trade enjoyed a supper and meeting at the Beals Tavern Thursday evening and sixty-five were seated at the tables. President Bertrand G. McIntire presided. Several from the South Paris Board of Trade were present and the question for discussion was the school proposition. The proposed Union School House was dicussed. Dr. A. O. Thomas, State Superintendent of Schools was the speaker of the evening and outlined several plans as he had deduced them from observations in the two towns. The meeting was an important one and much interest was manifested. A committee was appointed to confer with the officials of the Telephone company relative to changing from the bell system to the drop system.

True C. Morril, Supt. of School of Bangor, formerly superintendent of this District will attend the National Education Association Convention to be held in Chicago the last week in February. He is to be sent to the convention by the City of Bangor.

American Legion Carnival

Everything is all set for the grand indoor carnival at Legion Hall, Friday, Feb. 24, afternoon and evening. Relics from the world war, the Civil war, with a few priceless heirlooms from the American Revolution will be displayed with one of the Legion boys on hand to explain the uses of the various exhibits. As there is no public collection in Norway, this display will prove interesting and instructive.

The boys and girls will be attracted to the pet show where their favorite animals may be placed on exhibition if blanks for that purpose are obtained from Maurice E. Prince or Arthur Gammon.

A fancy work exhibit will be in charge of the auxiliary. Hot dogs, hamburgers, coffee, popcorn, candy and Welch rarebit will be sold at convenient booths.

Everything possible has been done in designing the Durant Car for the convenience of the user, and to assure him long and dependable service.

NORWAY AND VICINITY

Chapman Concert

The Chapman Concert will be given Saturday evening, March 4th at the Norway Opera House. These concerts have long been recognized as the musical event of the winter and are eagerly looked forward to for he always brings some real surprises, and the public are assured of hearing some great music interpreted by first class artists in a programme that will please all tastes, from Grand Opera to a simple ballad and from an enchanting waltz to the more classic numbers.

Miss Julia Floyd, the new coloratura soprano born in Savannah, Georgia, has proved a real sensation in New York, and a great favorite in the South. She is a typical southern girl, who are noted for their beauty. She has an exceptional personality and beautiful stage presence. Although very young she has mastered a great repertoire of Italian, French and German songs, but prefers to sing in English, much to the delight of her audiences. Her voice reminds one very much of Nina Morgana, although more dramatic in quality.

Everett Bishop, the Bass-Baritone possesses a most remarkable voice, which is round and full and very rich in quality, and of great range and power. Although young, he has mastered all the oratorio repertoire and much of Grand Opera, and as a Ballad singer, he reminds one of John Barnes Wells, when singing a ballad, although their voices are entirely different. One of the great charms of this programme will be the singing of duets between these two artists.

Gabriel Engel, the violinist, although graduating from Columbia College with high honors, kept persistently at work with his violin. His debut in recital at Aeolian Hall New York a year ago, stamped him as the greatest American violinist heard there in years. His success in the West, and in New York this year has been most phenomenal. It can be safely said that the public in Maine have never had a greater treat in store for them than in hearing this marvellous young man. He is not only a great violinist, but a fine composer of much promise.

In accompanying these most difficult numbers many which are written for orchestra, Mr. Chapman will prove himself again the efficient accompanist and conductor that he has been in the past, and the public are always quick to appreciate this important feature of the programme which makes a perfect ensemble.

Mr. and Mrs. Howard D. Smith went South the first of the week.

The funeral of Mrs. Elizabeth E. Richardson was held Thursday afternoon at the home of Elgin A. Greenleaf. There were many beautiful flowers from friends. The bearers were her two sons, Charles Seavey of Norway and Arthur Richardson of Boston, and two brothers, Fred H. Libby of Haverhill and A. H. Libby of Lawrence, Mass. A delegation fom Harry Rust Women's Relief Corps attended in a body. Interment was at the Pine Grove Cemetery.

A SWEET LITTLE BABY BOY

Makes a Bright Spot in Every Home. A Comfort in Years to Come

Park Rapids, Minnesota.—"I have taken your medicine—Lydia E. Pinkham's Vegetable Compound—when I was a girl for pains and before and after my marriage. I now have a sweet little baby boy and will send you his picture if you wish to publish it. My sisters also take your medicine and find it a great help, and I recommend it to those who suffer before their babies are born."—Mrs. WM. JOHNSON, Box 155, Park Rapids, Minn.

To marry and arrive at middle age without children is a great disappointment to many women. Think of the joy and comfort other women have in their children as they grow older.

Lydia E. Pinkham's Vegetable Compound has helped to bring great happiness to many families by restoring women to health. Often the childless home is due to a run down condition of the wife, which may be helped by Lydia E. Pinkham's Vegetable Compound. It brought health and happiness into the home of Mrs. Johnson. Why not to yours?

TAXATION AND HIGH COST OF LIVING

It is the general condition all over the country that building materials are so excessively high that dealers stand in their own light in keeping up prices. No one will build or make repairs now unless obliged to do so. Another year must inevitably see a reduction in the cost of building,—good judges estimating from a quarter to a third at least; and perhaps more.—Editorial Comment.

The National Builders Supply Association in its convention recently at Chicago felt "much uneasiness" on account of the numerous prosecutions in New York City against the law breakers and price boosters, many of whom had been fined and not a few sent to jail. "Uneasiness" in this connection is a very expressive phrase. Let it spread among the scamps, while the prosecutions continue. It may do some good.—Comment.

Some Southern Senators are opposing the bonus bill on the ground that the Negro soldier would do very little toward raising crops, while his money lasted and thus a shortage would result in that section the coming year. This is not only true of the black South, but thousands of the white soldiers in the North as well. The principal of the bonus bill is bad. Let the disabled soldier receive the relief and no one will object. The bill won't be popular or a vote getter.—Editorial Comment.

The Soldiers' Bonus

There are many hints floating around that if Congress goes ahead and authorizes the soldiers' bonus, the political results will be very apt to be the reverse of what at first might be expected. For while the passage of such an act would make voting friends of the recipients throughout the country, the collection of $850,000,000. in taxes on automobiles, gas, bank-notes and sundry lines would inevitably react upon a vastly greater voting personnel through increased taxation administered by a political party which took office and made pledges to keep taxes down. The bonus looks good as a gift, but bad as a collection.—Lewiston Journal.

Benjamin C. Marsh, managing director of the Farmers' National Council, declared recently before the House Ways and Means Committee, that the farmers of the country would not stand for any more taxes, while profiteers go unscathed as they did during the war and since.—News Item.

An official of the National Association of Wool Manufacturers says that clothing prices are abnormally high, and if this condition of things keeps up, the country will be flooded with cheap foreign goods.—News Item.

The National Grange, representing over one million of farmers in the different states of the Union has made it clear to the Ways and Means Committee of the lower house of Congress, that its program for raising money to pay the bonus bill will be strenuously opposed by the farmers, and it is claimed that the "Farm Bloc" in the House following the wishes of the Grange will oppose it. It was also announced that the American Farm Bureau Association and the National American Automobile Chamber of Commerce were backing the National Grange. These are powerful organizations and it is claimed that 10,000,000 of people are up in arms over the proposition to tax autos and gasoline. The spokesman for the Grange urges that if the law passes the excess profits tax be restored to raise the money. If the profiteer is taxed to pay what is required, no one ought to seriously object to the skinner being skinned.—Comment.

PHINEAS' PHILOSOPHY
By Win Kimball

Speaking of After Dinner "Speakers"

I guess the feller what sais thet some of these Dinners at swell Hotels has every thin frum "Soup to Nuts" was right. The Nuts come at the end of the dinner, an there is all kinds, those thet they put in little finger bowls side of yer plate an those thet get up an make a "impromptuo" speech.

Jest as yer get well filled with food an feel kind of sleepy, an need a sleep an rest, some nut gets up an makes a speech. The smaller the man the bigger he thinks he is an his speech follows along on the same lines.

Some men thet have got somethin real to say, if notis, usually say it an get it over with, an yer "can" keep awake. Those thet think thet they has a important message to deliver get on the wrong street, or can't find the number of the house.

There is one after dinner speaker thet I always admire, an thet is the feller thet you take out to dine what gets right up an says "I'll pay this meal check". There is a lot of fellers thet trys to say these kind words but they stutter around so tryin thet the other feller always gets ahead of them, an it is this last feller who is he regular After Dinner Speaker an he don't know it.

—Yours trooly,
Phin.
